

Five Little Pumpkins

Five little pumpkins
Sitting on the gate.

The first one said:

Oh my!
It's getting
late!

The second one said:

There are
witches in
the air!

The third one said:

But we
don't care!

The fourth one said:

Let's run and
run and run!

The fifth one said:

I'm ready for
some fun!

"Ooooh!" went the wind.

And out went the light!

And the five little
pumpkins rolled out of
sight!
