Five Little Pumpkins

Five little pumpkins
Sitting on the gate.

The first one said:

Oh my!
It's getting
late!

The second one said:

There are
witches in
the air!

The third one said:

But we
don't care!

The fourth one said:

Let's run and
run and run!

The fifth one said:

I'm ready for
some fun!

"Ooooh!" went the wind.

And out went the light!

And the five little
pumpkins rolled out of
sight!

American Holiday First Thanksgiving

The Thanksgiving Feast

The English colonists we call Pilgrims celebrated days of thanksgiving as part of their religion. But these were days of prayer, not days of feasting.

Our national holiday really stems from the feast held in the autumn of 1621 by the Pilgrims and the Wampanoag to celebrate the colony's first successful harvest. View the slideshow to see what this first "Turkey Day" might have looked like.
